**Attention: Mr. Shanmuganathan / Managing Director**

Dear Sir,

**SUBJECT – TESTIMONIAL FOR CONTRACT 913 DESIGN AND CONSTRUCTION OF STATIONS AND TUNNELS AT HILLVIEW AND CASHEW FOR DOWNTOWN LINE STAGE 2**

In reference with the above mentioned project, this is to inform that we have appointed Asia Tunnelling & Construction Pte Ltd as our specialist sub-contractor for Controlled Rock Blasting, Rock Splitting, Shotcrete, Rock Bolt and Pump Sump works.

Asia Tunnelling & Construction, professional team and crew proved their excellent skill to complete the assigned sub-contract works within the specified time and schedule. The sub-contract works was executed in accordance with all safety procedures and requirements.

We are satisfied with the performance of Asia Tunneling & Construction and with the company's safety procedure and methods.

We wish Asia Tunneling & Construction the best of luck in their business and future endeavor.

Yours faithfully,

Paek Nak Seung
